"Train up a child in the way he should go and when he is old, he shall not depart from it." Proverbs 22:6

Cooperation isn't always something that may happen naturally, but it is something that is near and dear to God's heart. Since the beginning of creation we see how God created us to be in community with one another. Cooperation is a spiritual concept that originates with God, and throughout the Bible, we see how God brought people together to accomplish God's plan for the world. When we work together, we reflect Jesus to others, and our love for one another can point people to Him as we explore what God wants us to do together.

Mrs. Anne and Mr. Bob's Small Group practiced cooperation by working together to cross an imaginary creek! Mrs. Ashley's Small Group learned all about cooperation by helping Nehemiah rebuild the walls around Jerusalem. Kids are never too young to learn to cooperate.
