Going to Middle School is a big deal! And at Sedge Garden UMC it's no different. Moving up to the 6th Grade also means that it's time to start attending the Youth Group. This year, we had one 6th Grader, Emma Shaw, to rise into the Youth Group, and we had so much fun welcoming her into the Youth family. It is a tradition that when you enter the Youth Group, you get to put your handprint on the wall...so, Emma, welcome to the family! When asked what was the most exciting thing about the day she was "kidnapped," she said that it was all the games we played, but definitely the Grog! Emma says that, so far, the things she loves the most about coming to GYM on Sunday afternoons are "just all the love, reading scripture, and all my friends being there." The things that she is most looking forward to are Wilderness Trail and Mission Trip! We are so excited to have Emma in the group!
